ANNIKA AWARD

PRESENTED BY STIFEL

To compete at the highest level, college golfers must consistently exemplify focus, dedication, and commitment to excellence both on the course and in the classroom.

Those same qualities have helped us make Stifel one of the nation's leading wealth management and investment banking firms.

And they're also why Stifel is proud to serve as presenting sponsor of the Haskins and ANNIKA Awards, college golf's most prestigious honors. Just like Stifel, these two great awards are rich in tradition but focused on the future.

The Haskins and ANNIKA Awards are the centerpiece of Stifel's commitment to college golf, which also includes our sponsorship of the NCAA Golf Championships on Golf Channel. It's a rewarding partnership that we look forward to continuing for years to come.

Award History

Created in 2014, the ANNIKA Award presented by Stifel is annually given to the top female Division I collegiate golfer; the winner voted on by players, coaches and members of the golf media. Named for and presented by Annika Sorenstam, the award was created in partnership with the Haskins Commission to acknowledge the top female golfer at the end of the season, to match the Haskins Award presented by Stifel which acknowledges the top male Division I collegiate golfer.

"The Haskins Award has been a prestigious accolade recognizing the best male collegiate players for over 40 years. I am thrilled to work with the Haskins Commission to create the ANNIKA Award to similarly honor the best collegiate female golfers. College golf meant a lot to me - it really helped get my career going in the right direction."

About Annika

Annika was born in Stockholm, Sweden on October 9, 1970. She began playing golf at the age of 12, but also occupied her time with badminton, soccer, tennis and competitive skiing. In 1987, Annika joined the Swedish National Golf Team and credits fellow Swede Liselotte Neumann's win at the 1988 Women's Open for heightening her interest in golf. Annika played in the World Amateur Golf Team Championships in 1990 and, again, in 1992 when she won the Championship.

Annika enrolled at the University of Arizona in the fall of 1990 and won seven titles during her collegiate career. She was the first foreign-born player and first freshman to win the individual NCAA Championship. She also won the 1991 National Co-Player of the Year Award, was the 1992 Pac-10 Champion and was named to the 1991-1992 All-American team. In 1992, Annika was a runner-up for the National Player of the Year Award and finished second to Vicki Goetze at the United States Women's Amateur Golf Championship.
